

2 Way General Purpose Solenoid Valves

Features

- Robust Valve Design
- Diaphragm Operation
- Fully Ported Orifices for high Kv
- Choice of Valve Body Material and Seals
- Sizes 3/8" - 3/4" Advantica approved to BS EN 60730-2-8 for household use.

2 Way Gas and Fuel Solenoid Valves

Features

- Lightweight Aluminum Construction
- Ideal for Low Pressure Natural Gas, Town Gas, Propane and Butane
- Approved Safety Shut-off Valve EN161
- Fully Ported Orifices for High Flow at Minimal Pressure Drop
- Zero Pressure Rated
